

# NOTICE OF REVIEW

## APDES Preliminary Draft Permit

Alaska Department of Environmental Conservation (DEC)  
Wastewater Discharge Authorization Program  
555 Cordova Street  
Anchorage, Alaska 99501

### NOTICE OF REVIEW OF AN ALASKA POLLUTANT DISCHARGE ELIMINATION SYSTEM (APDES) **PRELIMINARY DRAFT PERMIT** TO DISCHARGE TO WATERS OF THE UNITED STATES

Alaska DEC has prepared an APDES preliminary draft Permit, Fact Sheet, and related documents for the ExxonMobil Alaska LNG LLC, Cook Inlet Geotechnical Survey. Upon written request from the applicant, the preliminary draft permit, fact sheet, and associated document review period has been shortened from 10 days to five days. Following the close of the five-day applicant review period, DEC will prepare a draft permit and fact sheet for a formal 30-day public review period. Public comments will be accepted during the formal 30-day review period. You can access the documents on DEC's Wastewater Discharge Authorization Program webpage at: <http://www.dec.state.ak.us/water/wwdp/index.htm>

#### **Preliminary Draft Permit Review:**

**Start Date:** May 15, 2015  
**End Date:** May 22, 2015

**Permit No.:** AK0062278

**Applicant:** ExxonMobil Alaska LNG LLC  
Alaska LNG Project  
3201 C Street; Suite 506  
Anchorage, AK 99501

### **Proposed Project and Location:**

ExxonMobil Alaska LNG LLC will be conducting a geotechnical survey program in Cook Inlet to inform engineering decisions on the Alaska LNG Project Cook Inlet pipeline crossing and marine terminal. The geotechnical survey program includes 42 boring locations within the areas delineated along the east side and the west side of Cook Inlet. During geotechnical surveys, industrial discharges will be permitted to occur from:

- Outfall 001 – Geotechnical Drilling Fluids and Drill Cuttings at the Seafloor
- Outfall 002 – Deck Drainage

The discharges of Geotechnical Drilling Fluids and Drill Cuttings at the Seafloor include the authorization of two sizes of chronic mixings for turbidity based on borehole locations either on the east or west side of Cook Inlet.

### **Administrative Record:**

The APDES preliminary draft permit, fact sheet, and associated documents are available for public review at the ADEC offices located in Anchorage and Soldotna. Please contact the office of your choice to arrange for hard copies of the documents to be available for your review.

555 Cordova Street  
**Anchorage**, AK 99501  
907-269-6285

43335 Kalifornsky Beach Road  
**Soldotna**, AK 99709  
907-262-5210

If you would like to see any additional supporting technical documents, contact the permit writer at the address shown on page 1.

The documents are also accessible from the DEC website at:
